

# Are You Working or Stationed Out of State? Do You Plan to Travel Abroad? Will You be Deployed Before the Next Election?

## Welcome to Thurston County's Email Ballot Program

The Thurston County Auditor's Office remains committed to maximizing access to voting for active duty members of the military and U.S. citizens residing or traveling abroad. To this end, we offer our email ballot program.

**What an email ballot is:** Qualified voters receive their ballot and instructions as Word documents by email. The voter then prints out and votes his or her ballot and mails it to the auditor's office along with an original signature. We cannot accept electronic ballots and signatures.

**When:** Email ballots are sent and received by the voter approximately 30-45 days prior to the election. In addition, a regular ballot is mailed via air mail. Only one of these is counted.

**Where:** Voters can receive and print their ballots anywhere in the world in a matter of minutes, provided they have internet and printer access, and an internet email address.
