

**Fire Protection District No. 3 (Lacey) - Commissioner, Position No. 2**

I am a native Washingtonian born and raised in Seattle. For the past 17 years, I have been a Lacey resident. I am a retired DOD Civilian and a Viet Nam Veteran. My father and two uncles were Seattle Firefighters. I grew up with the problems and concerns of Firefighters and Fire Departments and their dedication to community service. Lacey is one of the fastest growing communities in Washington and I would like to help our Fire District keep pace with that growth.

For the past 7 years I have been vice-president of the Cleveland H.S. Alumni Association and the primary fund raiser for that organization. I am a past President of the Mountain-Aire Park Homeowner's Association. Community service, civilian and military, has been a priority with my family. I would like the opportunity to serve the citizens of Lacey, the greatest place in the world to live.

**John L Christiansen** | 1341 Paradise Court SE, Lacey, Washington 98503, (360) 493-1440 jlc4glf@comcast.net

Retired from Lacey Fire District Three in 2004 after serving twelve plus years as Community Safety Education Specialist. Prior to that served as a public school teacher, principal, and central office administrator. Earned B.A. Degree in Education and a Master Degree in Administration from Central Washington University. Currently involved in a number of area-wide issues and events, including the Lacey Spring Fun Fair Committee, Safe Kids Thurston County, Executive Board West Region

Emergency Medical Services and Trauma Care Council, Washington State Risk Watch Management Team, Vice-President of a local church council, and an Adjunct Professor at South Puget Sound Community College.

Have witnessed first hand the significant changes and growth within the fire district. Serving as Fire Commissioner will allow me to continue to be actively involved in the future growth, and will allow me to give back to this community in a meaningful way.

**Fire Protection District No. 4 (Rainier) - Commissioner, Position No. 2**

My name is Rob Johnson and I am running for Fire Commissioner in TCFD#4. I have lived in the Rainier community for 13 years and my children have grown up here. My family and I are committed to being a part of Rainier's future. Because of my extensive fire background as both a paid firefighter and as a 10 year volunteer with TCFD#4, I feel I

can make the best contribution to our fire department. I am prepared to invest the time and energy needed to insure the citizens of TCFD#4 receive the best possible emergency services. Our needs are expanding and I am anxious to help us meet the coming challenges.

**Fire Protection District No. 4 (Rainier) - Commissioner, Position No. 3**

Jonathan Sprouffske, a long term resident of Rainier, has consistently demonstrated his commitment to improving the community. He has served with the Fire District for the past eight years and has personally witnessed the challenges facing this growing district.

As well as his experience, Jonathan holds a Bachelor's Degree in Business Management from Saint Martin's College and a Juris Doctorate from Seattle University School of Law. These have provided a foundation

from which he can lead the Board of Fire Commissioners.

During the past year Jonathan was appointed by the Governor to serve on the Higher Education Coordinating Board, where he was charged with representing the broader public interest in higher education. Jonathan now wishes to turn his attention to giving back to the community that provided him so much support growing up.

**Fire Protection District No. 5 (Black Lake) - Commissioner, Position No. 3**

I am the Executive Director of the Thurston County Food Bank, a graduate of the University of Washington, a long time resident of Thurston County, married for twenty-three years and the father of two fine children.

I am seeking re-election because I continue to feel that I have something to contribute to Fire Protection District Five. For the past seven years as a Black Lake Fire Commissioner I have worked to make

public safety on Black Lake a department priority. I am proud of the work our Department has done to improve response times, increase public safety and implementation of minimum manning standards at our stations. These minimum manning standards insure that personnel are available to respond to calls regardless of the day of the week or time of day.

**Fire Protection District No. 6 (East Olympia) - Commissioner, Position No. 1**

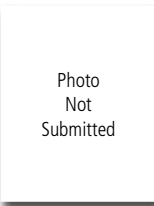

Photo Not Submitted

To the voters of East Olympia Fire District #6. I sincerely appreciate your support in the last election that placed me in the position of Fire Commissioner for your Fire District. Although I am running unopposed, I would again ask for your vote in this election. I have served you well in the past 5 years and I promise you that I will continue to represent

you, the taxpayer in the coming years. We have undergone some great progress since I have been on the Commission and we will make even more progress in this district in the future. Once again, Thank You for your confidence in me and your continuing support for the office I seek.

**Fire Protection District No. 7 (North Olympia) - Commissioner, Position No. 3**

Richard and his wife Teri have been residents of the North Olympia area since 1971. Richard has been a dedicated member of the local fire department since that time. His service to the fire district includes serving as Chief of the Department and as a Fire Commissioner for over 15 years. Under his leadership, the Department was able to make necessary upgrades to equipment and facilities in order to better serve the residents of this area.

Richard is also well respected throughout the fire service community. He is the Past-President of the Washington Fire Commissioners Association and the current Vice-President of the National Association of Elected Fire Officials. He also sits on the Thurston County EMS Council and is a board member of the Thurston Fire and Rescue Training Consortium – a countywide fire-training program that his efforts helped to organize.
