

Fire Protection District No. 8 (South Bay) - Commissioner, Position No. 2

Ken Parsons is a proven, results-oriented, business and community leader. He has served on numerous boards including: scholarship foundations, Saint Martin's University, Thurston Fire Commissioners Assn, and Thurston Fire Service Training Consortium.
 He is a founder of several successful businesses including Illuminet (President 1982-1990), and Venture Bank (founding Director and current Chairman).
 Before serving as Commissioner for more than 10 years and having

lived in the District for over 34 years, Ken provided support in many ways including Chair of the Bond Issue Committee to build Station 81 and upgrade other stations.
 Ken has provided the leadership to implement strategic facility and equipment long range plans, to hold down taxes for service. His goal is to continue to upgrade the reward system for volunteers for improved response. Ken has the experience along with proven commitment to provide the best fire service for your tax dollars.

Ken F Parsons Sr 4747 Shincke Road NE, Olympia, Washington 98506, (360) 456-2220

Fire Protection District No. 9 (McLane) - Commissioner, Position No. 1

My name is Mark Campeau and I would be honored to continue representing you as a Fire Commissioner with McLane Fire and Life Safety. I have lived in this district for 20 years, having served six years as a volunteer firefighter/EMT and four years as a Fire Commissioner. I am proud of the support that the district's residents have given the

department over the years and proud of the department for its great service to the community. Thanks to you we have been able to upgrade our first line apparatus and are currently building new stations that were so desperately needed. I look forward to your continued support and I am always open to your valued input.

Mark Campeau 2401 Aspinwall Road NW, Olympia, Washington 98502, (360) 866-6300

Fire Protection District No. 11 (Littlerock) - Commissioner, Position No. 1

For the past 6 years I have served your community as Fire Commissioner at Littlerock. During that period, the fire district has continued to serve the needs of this community, both with the highest trained personnel and dedicated volunteers that go the extra mile when tragedy strikes the area or a loved one is in need of fast attention.
 This past term, I have been a member of several organizations related to my job as commissioner, included in these, are the Thurston Co. Fire Commissioners Association, which I was President. Also, a

member of the Board of the Thurston County Training Consortium, The National Association of Elected Fire Officials, and Washington State Fire Commissioners Association.
 Together with the Commissioners of District #1 Rochester, Grand Mound we are in the process to combine our resources and manpower to better serve both our districts, attempting to consolidate and better serve both communities.

Gerald W Strong 2531 Link Court SW, Olympia, Washington 98512, (360) 352-3426 jamnjelly9@aol.com

Fire Protection District No. 12 (Tenino) - Commissioner, Position No. 3

My name is Christina Vanderhoof. I have resided in Skookumchuck Valley all my life. My husband John and I have raised two wonderful children in the Valley. They have given us two adorable grandchildren.
 John and I became involved with Thurston County Fire District 12 in the early 90's when first John joined the department with me following a year or so later. We saw a need to help the members of our community as they helped us in our time of need.

It has been a pleasure to serve the district as a Firefighter/EMT. It is my ambition to serve the fire district further as commissioner. I have a background in management in pupil transportation at the Tenino, Tacoma and Tumwater school districts. I will bring knowledge of financial business and a great need to serve my community and neighbors.

Christina M Vanderhoof 4141 Skookumchuck Road SE, Tenino, Washington 98589, (360) 264-2146 vanderhoof4@earthlink.net

Fire Protection District No. 13 (Griffin) - Commissioner, Position No. 2

My husband and I volunteer with Griffin Fire District's Auxiliary. Griffin's staff and volunteers are a dedicated and tireless team, and a great asset to the community. The number of aid and fire calls continues to increase, stretching the resources of the department. I want to assist Griffin in its community outreach in the areas of disaster preparation and in training to help reduce preventable fires and accidents.
 I'm an attorney and 40 year resident of Thurston County. I spent 26 years at the Office of the Attorney General as Senior Counsel.

Community activities include: Board member of Thurston County Volunteer Legal Services; Volunteer at the Volunteer Legal Clinic; Board member of Governmental Lawyers Bar; Member of the Bishop's Committee at St. Christopher's; Member of the Washington State Bar Association's Law Examiners, writing and grading bar exams since 1985; and past president of the POSSCA board.
 I'd appreciate your vote!

Fire Protection District No. 16 (Gibson Valley) - Commissioner, Position No. 2

We have a wonderful volunteer Fire Department because of dedicated neighbors who serve all of us. You can help by trimming your trees and keeping your driveway accessible for emergency vehicles. We can all make our communities wonderful places to live by being

proactive. We currently need additional volunteers in all Fire Fighter skill levels as well as office volunteers. Stop by the Fire Station and see what a fine Fire District we have.
