**Fire Protection District No. 17 (Bald Hills) - Commissioner, Position No. 3**

I have served as Chairman of the Board of Fire Commissioners of Thurston County's Fire Protection District #17 for the past 10 years. I have represented you on the Thurston County Fire Commissioners Association as both the Secretary-Treasurer and the President. I am on the Emergency Medical Services Council.  
My qualifications include: Washington State Certified Firefighter 1, Instructor 1, CPR Instructor, Wildland Firefighter 2, EMT and EMT instructor/evaluator and FEMA community emergency response team

trainer. I have been on more emergency calls within Fire District 17 than any other member in the last 10 years.

For the last 10 years my goals have been to ensure the department stays on target by continually finding better ways to meet the people's needs. I will continue to ensure the monies you are paying will go for the best operation possible.

I believe in this community. I appreciate your continued support.

**Yelm Fire District - Commissioner, Position No. 1**

Who am I? I am a full time husband, father and Firefighter. My wife and I have been married for 17 years and have four children. We moved to Yelm to raise our family in a rural community where we could become involved in the future. I chose to seek a position as Fire Commissioner because I have the skills and ability to help our Fire District move into the future and serve you better.

Because I have 13 years experience as a volunteer and career

firefighter, I am able to see staffing and equipment issues from the firefighter's perspective. I can also use my management experience from the private sector to address these issues as your commissioner.

Creating policy, problem solving and planning are challenges that need to be met. I look forward to meeting these challenges and the needs of our community.

**PARK AND RECREATION DISTRICTS** State law allows for the formation of park and recreation districts as municipal corporations for the purpose of providing recreational activities of a non-profit nature as a public service to the residents of the geographical areas included within district boundaries. Park district commissions consist of a five-member nonpartisan board elected within the jurisdiction to serve staggered four-year terms.

These districts may acquire property, make contracts, establish fees, make rules governing park property, and manage and operate facilities, according to RCW 36.69.130. They may also impose property taxes, establish local improvement districts, and issue revenue bonds, subject to the restrictions contained in RCW chapter 36.68.

**Tanglewilde Park and Recreation District - Commissioner, Position No. 2**

I am a new resident to Tanglewilde, having transferred here with GMAC Mortgage, LLC, 6 months ago with my wife and family of 4 children from Saginaw, Michigan. I have quickly made community involvement a personal mission, through Olympia Master Builders, Habitat for Humanity, Multiple Listing Salesperson Association, Olympia Little Theater, our church and Tanglewilde Parks and Recreation

Commissioners' meetings because I believe that all good things start from home. I am committed to our parks and recreational assets being financially sound, physically safe and a pleasure to attend. I will personally be available anytime to discuss any opportunities that you feel are important to the quality of life of the residents and their guests.

**Tanglewilde Park and Recreation District - Commissioner, Position No. 3**

It has been an honor to serve you as a Tanglewilde Park and Recreation Commissioner since 2001. I have enjoyed serving you in this capacity and wish for your continued support for this election.

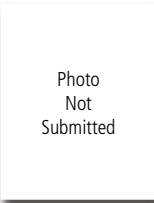

I have been a resident of our Tanglewilde community for 22 years, my wife and I have raised our children here. As a commissioner, I

will continue to ensure that your tax dollars are well spent for the improvement and maintenance of our parks and pool.

I would like the opportunity to again serve the residents of Tanglewilde as your commissioner.
