

Cemetery District

Cemetery Districts - Thurston County has two operating cemetery districts: District No. 1 in Grand Mound/Rochester and District No. 2 in Yelm. Each district elects a three-member nonpartisan commission from within its jurisdiction, and the commissioners serve staggered six-year terms. The commission is non-salaried, but members may be reimbursed for expenses. Under state law, a commission is empowered to make and carry out contracts and to acquire, improve, and operate cemeteries. It establishes

fees and regulations for their use. The budget is prepared by the district commission and certified by the Board of County Commissioners. The county Treasurer receives and disburses all revenues and maintains a cemetery fund for each district. Funding comes from revenue received through the sale of cemetery lots, from the district's share of the junior taxing district levies, and from private donations.

All Cemetery District Positions are Nonpartisan

Cemetery District No. 2 (Yelm) - Commissioner, Position No. 2

Only voters in Yelm Cemetery District will vote on this position.
