

Thurston County - Treasurer

Treasurer - The treasurer is responsible for providing banking, investment, debt and cash management services for the county and all local governments within the county, except cities. The treasurer receives and disburses cash that totals over \$2 billion for 40 different entities including school and fire districts.

The treasurer invests all cash from these districts and pays interest earnings on the funds to the districts. The

investment portfolio represents a source of income that is "non-tax" supported. In addition, the treasurer bills and collects all property taxes for every government in Thurston County. The treasurer accounts for and distributes these tax collections to the government for whom it is collected.

Treasurer

All voters in the county will vote on this position.

As your Treasurer, I will protect and maintain the public's trust. It's your money, and government has a responsibility to keep it safe and accounted for.

With over 14 years of community banking experience, I will use my private sector experience to look at county government with fresh eyes. I will work in a non-partisan manner to build consensus, and to provide exemplary customer service including expanding office hours to 9 a.m. to 5 p.m.

My experience and leadership include Vice President

at Thurston First Bank where I coordinate financing, banking services and cash management for local businesses.

Other community leadership includes Team Leader, AARP Tax-Aide Program, Olympia Senior Center; Adjunct Professor teaching Finance, Saint Martin's University; member, Olympia School District Facility Advisory Committee; and Scoutmaster. My education includes a Finance degree and an MBA. Natives of Thurston County, my wife Liz and I are raising our four children.

Bill Pilkey: business owner; economist; CFP (Certified Financial Planner); president Thurston County Taxpayers' Association. Fiscal conservative. Independent. Statesman not a politician. Completed most requirements for PhD in Public Administration and Finance. Decades of strong financial and management experience.

Raise Treasurer Office to higher levels. Invest treasury locally to create jobs. Promote fiscal responsibility and budget reform in county government. Inform voters about fiscal issues like \$50 million super jail built without vote of the

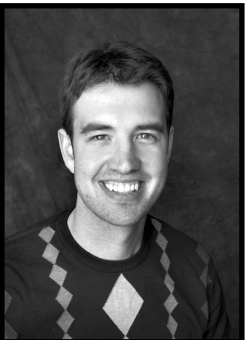

people, and no money to operate it. Oppose: government debt; budget deficits; state income tax on middle income wage earners.

Former Chief Fiscal Analyst for House Republican Caucus. Former CEO of statewide government watchdog organization. Taught public finance at two universities. Treasurer two statewide and four local organizations.

Serve with honesty and integrity. Protect your money like it was my own. Accept no money from banks or special interests. Support term limits. Vote for Bill Pilkey!

As your County Treasurer, I will safeguard our public dollars and provide experienced, trained leadership in managing Thurston County's financial future. I will bring a fresh perspective to County government, keeping our funds safe and secure, and finding greater efficiency in financing public facilities.

I earned my MBA at the UW, and for the past five years I worked for the State Treasurer financing \$600 million of investments in local government public facilities, along with accounting, banking, cash flow, and investments.

I know improved treasury management can and will save taxpayers money by lowering costs for major investments in facilities and equipment.

Endorsed by: WA State Treasurer Jim McIntire, Former State Treasurer Mike Murphy, Rep. Brendan Williams, Rep. Sam Hunt, Olympia Mayor Doug Mah, Former Deputy State Treasurer Ann Daley, Lacey Councilwoman Cynthia Pratt, PUD Commissioner Alan Corwin, Former Director of Olympia School Dist. John Keefe. Democratic Party Nominee.

I am asking you to retain me, Shawn Myers, as your Treasurer because I am the most qualified candidate. I have over 30 years of financial experience, 12 years of banking and 21 years of public treasury management experience. I spent 19 of those 21 years working in virtually every aspect of the Treasurer's Office, serving as the Chief Deputy Treasurer for 5.

I have the people management experience and dedication necessary to continue to successfully serve as the banker for the county and I am committed to serving Thurston

County and its taxpayers.

The Thurston County Commissioners trusted me to lead the Treasurer's office through this uncertain economy and I hope you will as well. Commissioner Karen Valenzuela said, "Shawn has such a wealth of direct experience with the treasurer's office, she is an asset to Thurston County and its taxpayers."

Please vote for me for Thurston County Treasurer.

Introduction to Measure Statements

The following pages contain all measures certified to appear on the August 17, 2010 Primary Election ballot. You will not be entitled to vote on all measures. Only the measures that apply to your precinct will be printed on your ballot.

For each measure in the Local Voters' Pamphlet, the legislative authority of the jurisdiction placing the measure on the ballot is required to formally appoint committees to prepare statements advocating the approval and rejection

of the measure. If the jurisdiction is unable to make such appointments, the Thurston County Auditor, whenever possible, advertises for such appointments.

The Auditor's Office encourages you to review all statements and seek additional information from the jurisdictions, the appointed citizen committees, and the local and regional media.
