

Thurston County - Legislative District No. 2

Legislative District Offices - There are 49 legislative districts in the State of Washington. Each legislative district has one senate position and two representative positions. The districts are drawn so that they are approximately equal in population.

The State Legislature is directly involved in all aspects of state government and in many aspects of county and city governments. It is the governmental body that writes the

laws of our state, develops a state budget, and has oversight of state agencies.

In Thurston County, candidates for Senate are running in Legislative District No. 35, and candidates for the House of Representatives are running in Legislative Districts No. 2, 20, 22, and 35.

See page 5 for Legislative District Map.

Legislative District No. 2 - State Representative Position No. 1

Only voters residing in District No. 2 will vote on this position.

From co-sponsoring the "Meth Bill", which caused an 80% reduction in meth labs, to serving in his church as an AWANA leader, Jim McCune has made it his priority to serve his state and community.

Representative McCune has consistently fought job-killing taxes, and opposed the largest spending increases in state history. Rather than new taxes, Jim knows we can fund core services with existing revenues, living within our means. Our state does not have a revenue problem; politicians have a

spending problem.

Jim helped create the Disabled Veterans Assistance Account, with voluntary donations helping veterans with medical equipment or other basic needs.

Jim McCune co-sponsored a law requiring GPS monitoring of Level 3 sex predators and opposed the early release of violent felons. He also secured funding for the Pierce County Skills Center and new schools to ease classroom crowding. *We need to keep Jim McCune fighting for us!*

"Marilyn, we need you back! You are good at representing us. You really listen; you get things done. No matter if an issue is large or small, you help find a solution. We can always find you. Dependable and committed to the community, you stand up and speak out for us. You are the neighbor we know we can count on."

We have so many challenges in our district, we need the best possible person to demand efficiencies, holding government accountable, working bi-partisan. Marilyn is a

mother of 7 and grandmother of 19. She has lived on her farm in Eatonville for 50 years raising cattle, hay and timber and helping raise her autistic grandson. Like you, she cares about how hard it is to make ends meet. She has been a watchdog and troubleshooter in Olympia. Contact Marilyn, she's always here for you.

Our state government needs new leadership. My name is JT Wilcox. 100 years ago my family founded Wilcox Family Farms. To survive this long as a family owned business has required *exactly* the values we need in the legislature: commonsense, fiscal conservatism and the willingness to make tough decisions.

This is why I'm challenging a 16 year incumbent. For too many years the legislature has spent too much, taxed too heavily and killed jobs through over regulation. In contrast,

I have 20 years of experience *balancing* budgets, *controlling* costs and *creating* jobs. As your representative I will: support our public schools, work to improve our transportation system and protect private property rights.

We still live and work on the farm. My wife Kathy teaches 6th grade and our daughter Katie attends Yelm High School. Our sons Jimmy and Donnie attend college nearby; Jimmy is an ROTC Cadet at PLU.
