

Thurston County Elected/Appointed Officials

Last updated 03/05/2010

Welcome to Thurston County's Elected Officials List. This list is compiled and updated by the Elections Division of the Thurston County Auditor's Office. We hope you find the list helpful and informative. If you have questions or comments about the list, the Elections Division may be reached at (360) 786-5408, Monday through Friday from 8:00 am to 5:00 pm.

Usage Notes: Text in parentheses gives additional information about the position. The following information is included:

- ◆ year the incumbent was most recently elected (E2009) or the date of appointment (A1/11/2009). In most instances, if the individual is appointed, the position will be up for election at the next regularly scheduled election for that district.
- ◆ if the position is vacant, or the incumbent retains the position due to no one filing (NOF 09).
- ◆ if the incumbent is serving a short (short) or unexpired (unexp) term. "Short term" refers to the period of time between certification of the general election and swearing in and only occurs when there has been a resignation. Such positions are filled by appointment until the next regularly scheduled election for that district.

Party Designations : NP - Nonpartisan, D - Democrat, R - Republican, L - Libertarian

Expires - This column refers to the TRUE expiration date of the term and does not necessarily reflect when the position will next appear on the ballot. In the case of an incumbent resigning and an appointment being made, the position will appear both at the next regularly scheduled election for that district, as well as at the term's true expiration.

County
