Fundraiser for Little Red Schoolhouse a Success!

OLYMPIA – Each year, Thurston County employees, their families, and friends ban together to raise school supplies and funds for the Little Red Schoolhouse Project. “Thanks to our staff and supporters, Thurston County collected over 2,900 school supplies items ranging from binders, rulers, markers, crayons, paper to backpacks. In addition, we collected over \$2933.35 in cash and checks,” gushed County Auditor Kim Wyman. One of our most popular events is the Pie in the Face contest, which raised \$1902.00. In this event, elected officials are once again on a ballot, but this time the winner receives a pie in the face! This year’s winner was County Prosecuting Attorney Ed Holm. .

Join us on Friday, September 18, 2009 at noon when County Prosecuting Attorney Ed Holm receives his award of a pie in the face. The event will take place at the Point at the Thurston County Courthouse parking lot.
