Auditor's Office Requests Public Feedback on Voters' Pamphlets

OLYMPIA - Auditor Wyman requests the public's feedback on the future of Thurston County Voters' Pamphlets. "Should we continue to print and mail the pamphlet, or would you prefer a smaller version mailed with your ballot? Would you be willing to drive to a public place to pick up a pamphlet? Please complete the questionnaire in your August 18, 2009 Primary Election Voters' Pamphlet and return it our office." If you have questions about the Voters' Pamphlet, or need assistance, contact the Thurston County Auditor's Election Division at (360) 786-5408.
