Certification of August 18, 2009 Primary and Next Tabulation

OLYMPIA – The August 18, 2009 Primary Election will be certified on Wednesday, September 2, 2009. As of August 21, 2009 the Auditor’s Office has 200 ballots ready to be tabulated. “With this small number of ballots we need to ensure voter secrecy by tabulating larger batches of ballots. Unless the Elections Division reaches a total of 500 valid ballots, which we are required by law to tabulate, the next tabulation will be just prior to certification of the Primary Election,” Auditor Kim Wyman noted. The final election results will be available after certification. For more information, please visit www.ThurstonVotes.org, or call the Elections Division at (360) 786-5408.
