Describe your experience and background that is relevant to serving on the Timberland Regional Library Board.

Are you currently a user of Timberland Regional Library? If so, which one? _____

What do you think are the most important functions of a public library such as Timberland Regional serves in a society?

How do you see libraries changing in the next decade?

What do you see as an advantage of having a five-county library district? Disadvantage?

The library district is supported mainly by property and timber taxes. Do you have any observations or recommendations?

What would be your greatest strength that you can bring to the Timberland Regional Library Board?

Public libraries have traditionally defended the responsibility to provide material on a wide variety of topics from as many points of view as possible and have also defended access to materials and information by all. Do you believe that public libraries should ever restrict the purchasing of or access to material because of its content or subject matter?

Why do you want to serve on the Timberland Regional Library Board?
