

# Adopt a Carousel Horse

This year's fair mascot is Firefly, the Carousel Horse. Anyone can adopt a plywood carousel horse, paint it as you wish, and it will be placed on the fairgrounds. It will cost \$20 to adopt a horse - the cost of the plywood, a 4' post, and labor involved in cutting out the horses. If you want a 6' post it would cost \$25. Spots where horses can be put are mapped out (there are 24 of them) and you can select your location at the time you pay. First come - first served!

If you're interested in this project please stop in at the Thurston County Fair office to place your order or call the Fair Office @ 360-786-5453 to place your order over the phone.
