

Department II - FFA

Harold Mackin - Superintendent

The objectives of the Thurston County FFA Exhibition are:

- * To feature and display agricultural products from our programs including livestock, mechanics, plants and displays of all kinds.
- * To help in the training of youth through educational contests, displays and demonstrations.
- * To promote the welfare of farm people and rural living.
- * To promote wholesome, worthwhile educational, and entertainment activities for the interest of all people.
- * To institute and carry out both short and long range planning.
- * To present, for public viewing, a well-balanced and wide variety of exhibits and displays.
- * To feature the rich heritage of our state, as well as the features of the present, and anticipated changes for future ways of living.
- * To conform with rules and regulations as set forth in the Washington State Agricultural Fairs Laws.

FFA RULES

1. READ GENERAL RULES AND FFA RULES.
2. Entries must be submitted to the Fair Office by June 30.
3. Each division Superintendent shall have the power to allocate space with approval of Fair Board.
4. All male livestock must be registered or eligible for registration.
5. Projects may be exhibited in the name of the chapter when projects are the result of the instructional program.
6. Members must own on/or before June 1, the livestock they show, except market animals.
7. All entries must be shown by the owner, unless chapter owned.
8. Members must do herdsmanship. Chapters are responsible for the appearance of the barn and other assigned areas.
9. Exhibitors must be accompanied by their advisor, who will supervise students and assist with activities as assigned.
10. Official FFA Stall Cards and exhibit cards must be used.
11. Paid-up Thurston County FFA members may exhibit. Out of county FFA members may exhibit if space is available.

DIVISION M - FFA FORESTRY/NATURAL RESOURCES

Mark Sloan - Superintendent

Forestry/Natural Resources projects will be attractively arranged in one major, centrally themed, chapter display. The display will be designed to promote education of the Forestry/Natural Resources industry for the public. Each display will exhibit a variety of different student and class projects oriented around one central theme. The theme must represent one section of the Forestry/Natural Resource industry and will be chosen by the individual chapter (i.e.: Water Pollution Prevention, Logging Practices, Urban Wildlife Management). Although size of display area may vary, chapters may plan on a display of 12"x24". Each display should have a sign informing viewer of display's theme.

1. All Forestry/Natural Resources exhibits will be brought in Tuesday prior to beginning of Fair before 6 pm.
2. Exhibits must be removed after 8 pm, last day of Fair.
3. The Danish system will be used in judging the Forestry/Natural Resources exhibits.
4. All entries must be properly marked with display cards obtained from the division superintendent.
5. All exhibits will be pre-entered on official Thurston County FFA entry forms.
6. Chapters will be asked to assist in the exhibit area.

7. CHAPTERS MAY ENTER NO MORE THAN 10 ITEMS OF THE SAME THEME, (I.E., 10 CONE BOARDS, LEAF BOARDS, ETC.)
8. All plant leaf displays must be properly pressed. UNPRESSED DISPLAYS WILL BE DISQUALIFIED.
9. Entries will be screened for quality and appearance when entered. Screening will be based on the same score card as used for judging.
10. Recommended size for display board is: ten item - 24" x 32" and five item - 18" x 24".
11. Originality and creativity is encouraged.
