

Thurston County Public Health and Social Services
Environmental Health Division
2000 Lakeridge Drive SW
Olympia WA 98502
Fee Schedule Effective January 1, 2010

Thurston County Public Health and Social Services
 Environmental Health Division
 2000 Lakeridge Drive SW
 Olympia WA 98502

Fee Schedule Effective January 1, 2010

All fees will be evaluated annually and may be adjusted by the Board of Health to cover the actual cost to provide the services.

Fees include Thurston County Health Department costs only. In cases where additional technical assistance is needed, costs for outside consulting services will be billed to the project in addition to the listed fee.

Thurston County Public Health and Social Services
Environmental Health Division
2000 Lakeridge Drive SW
Olympia WA 98502

Fee Schedule Effective January 1, 2010

D. Special Requests not Otherwise Covered	\$130.00 /hr
by this Fee Schedule	
E. Check returned for Non-Sufficient Funds	\$15.00
F. Permit transfer fee	\$35.00
G. The department may refund a fee if the application for refund is made within six months of initial fee payment and staff time has not been expended on the project for which a fee was assessed. This shall not apply to land development fees which are part of the Development Services Department Fund. For those fees, the refund policy of the Development Services Department shall apply.	

Notes:

- [1] These fees will be charged only when this review element is not covered as part of another permit or application review.
- [2] Fees listed are maximum allowed. Area of Special Concern boundaries, fees and activities within the area will be established by Board of Health resolution.
- [3] A preliminary design is used for individual lot analysis for the purpose of on-site sewage disposal review. It is used when specific detail is necessary to determine feasibility of lots within proposed subdivisions. It is not considered a formal permit application.
- [4] The health officer may review land-use projects that could have health hazards of groundwater or other water quality impacts.
