All workers in food service establishments must have a valid food and beverage service worker's permit within fourteen days of employment. Individuals may work for up to fourteen calendar days without a food and beverage service worker's permit provided that they receive information or training regarding safe food handling practices from the employer prior to commencement of employment. Documentation that the information or training has been provided to the individual must be kept on file by the employer. (RCW 69.06.050)

Effective January 01, 2012
