A. Site Characteristics & Context
The parcel under consideration totals 4.98 acres with 4.39 acres proposed for the open space—open space tax program. There is a paved athletic track on the property, and some recreational facilities (such as a baseball backstop) are currently under construction. The approximately 0.6 acre portion of the property not included in this application is proposed to continue in the Assessor’s Agricultural classification. The entire property was previously in the Open Space-Agricultural tax program administered by the assessor’s office. Unfortunately, the applicant was not able to meet the minimum income requirements to remain in that program for the entire property. However, they do qualify for the open space-open space tax program. The property owners are applying for a high priority classification of Private Recreation Area and Urban Growth Area Open Space with partial public access. The zoning of the site is Single Family Residential 4 (R-4). The surrounding properties are also zoned R-4. This property is located within the City of Olympia Urban Growth Area.

B. Public Benefit Rating System
1. For which Priority Resources categories does the property qualify?
   - Urban Growth Area Open Space
   - Private Recreation Areas
2. Which public access category has the property owner agreed to?
   - Partial Access
3. Does a conservation easement or historic easement apply to the property?
   - No conservation or historic easement
4. **Summary of Public Benefit rating:**

<table>
<thead>
<tr>
<th>Category</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Private Recreation Areas</td>
<td>3</td>
</tr>
<tr>
<td>Urban Growth Area Open Space</td>
<td>3</td>
</tr>
<tr>
<td>Public Access: Partial Access</td>
<td>1</td>
</tr>
<tr>
<td><strong>TOTAL</strong></td>
<td><strong>7</strong></td>
</tr>
</tbody>
</table>

5. **Estimated tax shift:**

The property is eligible for 7 points under the Thurston County Public Benefit Rating System, qualifying the property for a 70% reduction in market value. This represents a smaller tax shift than is currently provided under the Assessor’s Agricultural classification, meaning there will be a net gain in total property tax collected by Thurston County.

C. **Additional Considerations**

1. **Does the property meet the definition of open space?**
   Yes, for the Urban Growth Area Open Space designation. Minimum eligibility requirements ensure that only properties meeting the open space classifications definitions could be classified as open space.

2. **Any other factors relevant to the application in weighing the benefits to the public?**
   Protecting this property from further development will prevent further potential storm water runoff from impervious surfaces.

D. **Recommendation**

Staff recommends approval of classification of 4.39 acres owned by Gospel Outreach of Olympia as open-space land for current use assessment.

8. **IMPORTANT! Read all of the following information regarding tax liabilities before signing this application form.**

You will owe to the County the following additional taxes, interest and penalties when your property is removed or withdrawn from current use classification. The following is a summary of state law. Consult RCW Chapter 84.34 for details.

**STATEMENT OF ADDITIONAL TAX, INTEREST, AND PENALTY DUE UPON REMOVAL OF CLASSIFICATION:**

A. Upon removal of classification, an additional tax shall be imposed which shall be due and payable to the county treasurer 30 days after removal or upon sale or transfer, unless the new owner has signed the Notice of Continuance. The additional tax shall be the sum of the following:

   a. The difference between the property tax paid as "Open Space Land" and the amount of property tax otherwise due and payable for the last seven years had the land not been so classified; plus

   b. Interest upon the amounts of the difference (a), paid at the same statutory rate charged on delinquent property taxes.

   c. A penalty of 20% shall be applied to the additional tax if the classified land is applied to some other use except through compliance with the property owner’s request for withdrawal process, or except as a result of those conditions listed in (B) below.

B. The additional tax, interest, and penalty specified in (8A) above shall not be imposed if removal resulted solely from:

   a. Transfer to a governmental entity in exchange for other land located within the State of Washington.

   b. A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power.

   c. A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the landowner changing the use of such property.

   d. Official action by an agency of the State of Washington or by the county or city where the land is located disallows the present use of such land.

   e. Transfer of land to a church when such land would qualify for property tax exemption pursuant to RCW 84.36.020.

   f. Acquisition of property interests by State agencies or agencies or organizations qualified under RCW 84.34.210 and 64.04.130 (See RCW 84.34.108(6)(f)).
g. Removal of land classified as farm & agricultural land under RCW 84.34.020(2)(e) (farm homesite).

h. Removal of land from classification after enactment of a statutory exemption that qualifies the land for exemption and receipt of notice from the owner to remove the land from classification.

i. The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120.

j. The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040.

k. The sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as designated forest land under chapter 84.33 RCW, or classified under this chapter 84.34 RCW continuously since 1993. The date of death shown on the death certificate is the date used.

Removals and withdrawals from the program are processed by the Thurston County Assessor.

I (We) the undersigned, swear under the penalty of perjury, that I (We) am (are) the owner(s) or contract purchaser(s), of the land described above and that the above responses are made truthfully and to the best of my (our) knowledge. I (We) also understand that, should there be willful misrepresentation or willful lack of full disclosure on my (our) part, the granting authority, which may hereafter classify said land under the provisions of Chapter 84.34 RCW, may subsequently remove the classification. In addition, I (we) am (are) aware of the potential tax liability described above.

Re: Open Space Application Narrative

Dear Mr. Deffobis:

This office represents Gospel Outreach of Olympia, Inc. in their application for Open Space for tax parcel no. 11807230306 located at 2017 South Bay Road NE, Olympia, Washington. My client has requested I submit to you narrative information related to the application, which is below for your convenience.

Narrative

The City of Olympia 2011-16 Capital Facilities Plan has stated both “the need and challenge” to find land in northeast Thurston County to allow for athletic fields, picnic shelters, and other outdoor amenities to offer people a quality experience to meet their recreational, physical, and social needs.

The 4.39 acres of land in the Olympia Urban Growth Area borders South Bay Rd. to the east and the 20th Avenue Subdivision neighborhood to the west, and has allowed outdoor recreation facilities since 1995. The existing grounds and ball fields have been recently improved and upgraded to provide for the conservation and maximum outdoor recreation potential of this land.

The same firm which designed the grounds for Percival Landing and the Children's Hands-On Museum in Olympia has designed the landscaping improvements. The design ensures the recreation property is consistent with Thurston County/Olympia UGA values adding both functional and scenic value to the community. Gospel Outreach has established an agreement with the adjacent home owners association to provide neighborhood access through an existing access easement.

Facilities are available for volleyball, baseball, and soccer. A six foot wide paved trail circles the athletic fields and will wind through berms planted with meadow grass and wild flowers.
Deciduous and coniferous trees border the property to partially screen and visually enhance the scenic beauty from the adjacent subdivision neighborhood and South Bay road. A sheltered play area is proposed to allow outdoor activity during winter and a shaded area for summer months.

The goal for the property is to conserve the land into perpetuity as recreational with a natural Pacific Northwest aesthetic scenic value.

Should you have any questions or concerns, please do not hesitate to contact this office.

Sincerely,

Richard G. Phillips, Jr.
