Community Alert

Date: October 24, 2008

Neighborhood/ Area: All Areas

Nature of alert: Indecent Exposure

Details: Thurston County Sheriff's Office is notifying locally owned drive thru espresso stands in the Thurston County area of a male who has committed several "indecent exposures" in the Thurston County area. The male who has been identified as William Wooden (pictured below) has been driving up to the drive thru window and is seen masturbating while talking to the barista.

When he does drive up he opens his driver door (window may not roll down) and asks for sandwiches, green tea, and occasionally asks for a coffee drink. On one occasion he has entered an espresso stand where there is a counter for walk in customers and has just hung around making the employees very uncomfortable. He has not made any attempts to try and grab or assault any of the employees. This does not mean he will not try in the future.

This notification is to only make you aware of the situation and you are asked to call 911 if he comes to your stand. Please, if safely possible, get a description of the suspect (ie: clothing, height, weight, etc), a vehicle description, and if he leaves provide a direction of travel. At no time should you put yourself or any others at risk by trying to detain or stop this person.
