Crime Prevention Tips:

Make sure your vehicle is secure and all doors and windows are closed.

Remember to ensure that all valuables are hidden and not easily visible.

Do not leave purses, wallets, electronic devices, and valuable information in your vehicle.

Keep a record of all serial and model numbers of electronic devices left in the vehicle.

Often times, Sheriff's deputies locate items that they suspect may be stolen. They are however not able to confirm this because the victims had not recorded serial and model numbers.

Park your vehicle in a well lit area.
