

SHRED for Safety on April 28th

LEGIT, Washington's Law Enforcement Group Against Identity Theft, is organizing a FREE statewide shred-a-thon to promote identity theft prevention.

Join us Saturday, April 28 • 10 a.m. – 2 p.m.
(or until truck is full, whichever comes first)

Hosted by

Key Bank

**2920 Harrison Avenue West
Olympia, WA**

Shredding donated by United Data Security

Bring your old bills, bank statements, and other documents you no longer need. In order to accommodate as many people as possible, there is a limit of three grocery bags or two file boxes per customer. Experts will answer questions and share valuable information about identity theft prevention.

Think **SMART**:

Secure your identity and financial information.

Minimize risks.

Act responsibly.

Restrict access to only those who need the information.

Think before providing personal information to requesters.
