

Press Release

3/7/2007

The Thurston County Sheriff's Office has been asked by the Tenino Police Department to investigate a possible sex offense. The case involves allegations that a 38 yr. old female Tenino High School teacher may have had inappropriate contact with a 16 yr. old female student. The teacher has been placed on administrative leave by the Tenino School District.

The investigation resulted from a complaint filed with the Tenino Police Department on Friday March 2nd by the Tenino School District. We received the request to investigate this morning. The teacher was placed on leave on March 1st.

The teacher has not been arrested or charged with any offense so we are not releasing her name or address. The student's identity is also not being released at this time. The investigation has been assigned to our detectives and is ongoing.
