

# Girl Scout Patches

Thurston County Solid Waste can help Girl Scouts earn patches. Our staff can visit your group with fun presentations and activities. We also offer our own Reduce Reuse Recycle (RRR) patch. Learn how our RRR patch  and presentations and activities  can help your group earn points toward the badges and pins listed below.

## Brownie Try-Its

### Earth is Our Home

#### Activity 2:

**Project Recycle.** Start a recycling center in your home or GS meeting place. Check with an adult to get a list of items that are recycled in your community. 

#### Activity 6:

**Earth's Caretakers.** Adopt a special outdoor place in your community for two or three months. Picking up litter on a regular basis is an example idea. 

### Science Wonders

#### Activity 3:

**Homemade Recycled Paper .** Making your own paper.  

#### Activity 5:

**Magnet Hunt.** Get a magnet and find out what will stick to it. 

### Watching Wildlife

#### Activity 4:

**Earthworm Observations.** Find out answers to questions by observing worms.  

► To learn more, contact Colleen Minion at (360) 867-2280 or [minionc@co.thurston.wa.us](mailto:minionc@co.thurston.wa.us). Find instructions for the RRR patch at [www.ThurstonSolidWaste.org/Youth](http://www.ThurstonSolidWaste.org/Youth).

Please note: This sheet only lists the requirements that Solid Waste can assist you with. Please consult your manual for a full list of patch requirements.
