

**DOT Number Determination/Disclosure**

You can use this form to determine if a vehicle needs a U.S. Department of Transportation (DOT) number to register. If the vehicle is an auto transport, charter party carrier, excursion service carrier, solid waste collection truck, or is used to transport household goods, a DOT number will be required by June 30, 2010. When completed, take or mail this form to any vehicle licensing office with your vehicle renewal or title application. If you have questions, call (360) 902-3770, Option 5.

**1. Vehicle**

Is your vehicle designed to transport 16 or more passengers, including the driver? . . . . .  Yes  No

Does your vehicle have a gross vehicle weight rating (GVWR) of 26,001 pounds or more? . . . . .  Yes  No

If your vehicle has a GVRW between 14,001 pounds and 26,000 pounds, do you tow a trailer with a GVRW of 10,001 pounds or more? . . . . .  Yes  No

Is your vehicle used to transport hazardous materials that require a DOT placard? . . . . .  Yes  No

Is your vehicle used as a private school bus? . . . . .  Yes  No

If you answered Yes to any of the above, you must provide a DOT number to register the vehicle. Complete sections 2 and 3. If you answered No to all of the above, you are not required to have a DOT number. Complete sections 1 and 3.

---

Is your vehicle for personal use only? . . . . .  Yes  No

If you answered Yes, then a DOT number is not required. Go to section 3.

**2. Carrier**

If operating under your own DOT number, you will be the Carrier Responsible for Safety (CRS). If you operate under a lease agreement you will be operating under someone else's DOT number and they will be the CRS.

**Carrier Responsible for Safety (CRS)** is the person or company responsible for the safety of a vehicle or group of vehicles.

**Federal taxpayer Identification number** is your Federal Employer Identification Number (FEIN) or Social Security number (SSN). If you do not have a FEIN you must provide your SSN. We cannot accept your Unified Business Identifier number.

**Operating under your own DOT number**

If you are the owner of the vehicle and will not be operating under a long-term lease agreement, you will be operating under your own DOT number and you are the CRS.

**Operating under someone else's DOT number**

If you have entered into a lease agreement to operate your vehicle for an individual or business, you will be operating under someone else's DOT number and they are the CRS. You are required to provide a copy of the lease agreement, a certification of lease, or a letter from the lessor when you register your vehicle.

The certification of lease or the letter on company letterhead must include the following:

- A description of the lease. For example:

John Doe, XYZ Trucking Company, is presently leased to ABC Trucking Company.

Mr. Doe will be operating under our DOT number, \_\_\_\_\_, during the term of the lease.

Our FEIN (or SSN) is \_\_\_\_\_.

- The term of the lease in months
- The full name and address of the lessor and lessee
- The year, make, model, and VIN # of the vehicle
- Lessor contact name and daytime telephone number

**Short-term lease** is a lease agreement between two parties that is expected to expire within 30 days of the date of the agreement. In a short-term lease, you are required to have a Carrier DOT number to register your vehicle. A copy of the lease agreement should identify the lessor that is the CRS, must be carried by the driver while operating the vehicle, and must be provided to law enforcement when requested.

**Long-term lease** is a lease agreement between two parties that will not expire within 30 days of the date of the agreement. To register a vehicle that is operated under a long-term lease, you must provide:

- Your DOT and federal tax ID number (registered owner)
- Lessor's DOT and federal tax ID number (CRS)
- A copy of the lease agreement, certificate of lease, or letter from the lessor

When the lease expires or is terminated, you must notify the Department of Licensing.

**Gross Vehicle Weight Rating (GVWR)** is the maximum loaded weight of the vehicle determined by the manufacturer.

The GVWR can be found in several places:

- A label on the inside frame of the driver's door
- In the engine compartment
- In the owner's manual or sales brochure
- For trailers, toward the front of the trailer on the left side

**To get a DOT number**, you must complete the Federal Motor Carrier Safety Administration form MCS-150. You can apply online at [www.fmcsa.dot.gov](http://www.fmcsa.dot.gov) or call (360) 596-3810 to have a form mailed to you.
