

***“Thriving, hopeful, healthy communities”***

VISION	MISSION
We envision thriving, hopeful, healthy communities where all people are safe and supported and our environment is protected.	Working together to achieve the highest level of health and well-being for everyone.

**VALUES**

<b>Integrity</b>	We uphold professional ethics and serve with honesty, fairness, and trustworthiness.
<b>Leadership</b>	We are a trusted key partner, leading the creation of opportunities to improve the health and well-being of our communities through science, collaboration, and innovation.
<b>Service Excellence</b>	We are committed to providing exceptional public service and open information sharing that is responsive and accountable to the community’s needs.
<b>Hope</b>	We are united in our pursuit of healthier, happier, thriving communities and in our belief that we can make a positive difference in the future.
<b>Compassion</b>	We treat and support everyone with respect, empathy, and kindness.
<b>Wellness</b>	We encourage practices that support the public, our employees and their families in living healthy balanced lives that enhance their physical, social, and emotional well-being.
<b>Inclusivity</b>	We reflect the diverse communities we serve and intentionally foster a sense of belonging, honoring the unique experiences, cultures, skills, backgrounds, identities, and perspectives of everyone.
