

# HazoHouse no longer accepts latex paint !

# Dry it out

## then toss it in the trash.

Sawdust

Clay-based  
Cat Litter

Shredded  
Paper

Grass  
Clippings

Retail Drying  
Products

All of the above are effective for drying out paint. Use enough material to thicken paint to a non-pourable, oatmeal-like consistency. Leave the lid off the paint can before putting it in with your garbage.
