Management of 2019 Novel Coronavirus in Outpatient Settings – Webinar, Monday, February 3, 2020, 2:00 PM PST

The Washington State Department of Health invites you to attend a webinar on Monday February 3rd to address questions they have received about managing 2019-nCoV in outpatient settings. Below is the registration information for the webinar. We hope you can attend.

DOH has received many inquiries on how to identify and safely assess patients with suspected 2019 Novel Coronavirus (nCoV) in an **outpatient setting**.

On this webinar, we'll provide updates on 2019-nCoV epidemiology, review outpatient infection prevention measures, hear from ambulatory care and infection prevention experts, and have dedicated Q & A time for attendees.

Please forward this invitation to your healthcare and public health colleagues.
