Final Report
12/18/2018

2,517

Thurston County households served in a housing program

66% Single Adults

15% Families with Children

12% Transitional Youth 18-24

7% Unaccompanied Children under 17

This housing summary details households that have been served in a housing program and reported in HMIS between July 1, 2017 and June 30, 2018 in Thurston County.

Served: Households that enrolled in a direct housing service including: Emergency Shelter (ES), Rapid Re-Housing (RRH), Homeless Prevention (HP), Services Only (SO), Transitional Housing (TH), Permanent Housing (PH), Permanent Supportive Housing (PSH)

Enrollment: Every instance of entering a housing program. Enrollments for the same program have been de-duplicated for this summary report.

Household: A group of individuals that enroll together in a housing program, linked together in HMIS. A household can be a single individual or multiple individuals.

Coordinated Entry: A collaborative process that aims to connect homeless or imminent risk of homeless households to existing housing programs. A household can be enrolled in CE but not yet served in a direct housing service program.
