Fees: The inspection fee is based on valuation. The plan review fee used at time of submittal is an estimation of the cost. Plan review fees are assessed on an hourly basis with a one hour minimum and the difference in the estimated and actual will be adjusted the time the permit is issued. The fee table can be found at <http://www.co.thurston.wa.us/permitting/fees/docs/Thurston-County-Nonresidential-Building-Project-Fees.XLS>

The applicant is responsible for checking the referenced codes to insure that all the required information is provided. Failure to provide all of the information will delay the plan review.
