PUBLIC NOTICE IS HEREBY GIVEN:

That we, the undersigned, are the owners of the land described by this declaration and no other contiguous land not contained herein; and are seeking approval by the Planning Section of the herein described division of land known as Project No. _____, Folder Sequence No. _____-ZK, subject to the following covenants and conditions:

1. That the land described by this declaration may not be further divided in any manner by anyone within five (5) years of the above date of approval without a final plat having been filed for record with the Auditor of regulations of the Platting and Subdivision Ordinance and subject to penalties attendant thereto.
2. That all subsequent deeds will contain provisions for private roads in the manner described herein.
3. That all maintenance of any private road described by this declaration shall be by the owners of the parcels having legal access therefrom or their heirs, assigns, or successors, unless and until such road is improved to the current public road standards and dedicated to and accepted by the appropriate governmental jurisdiction.
4. That any private road will be subject to the further right of the grantor or his successor and of any telephone, electric, gas, water, or sewer company, public or private, to lay or cause to be laid and the right of ingress or egress for the purpose of maintaining telephone, electric, gas, water or sewer pipes, mains, or conduits across a described portion of such road.
5. That with respect to any private road described by this declaration whether it remains private or becomes a dedicated road, there is the additional right of the Grantor or his Successor to make all necessary slopes for cuts and fills; and the drainage of said roads and ways over and across any parcel(s) where the water might take a natural course upon reasonable grading pursuant to improvement for dedication of the roads and ways shown herein shall be allowed to continue. Following reasonable grading pursuant to improvement for dedication of the roads and ways shown herein, no drainage water on any parcel(s) shall be diverted or blocked from their natural course so as to discharge upon any public rights-of-way or to hamper proper road drainage.
6. That the legal description of the land subject to this Declaration and being subdivided into no more than four (4) parcels is attached hereto and incorporated by reference as though fully set out therein.
7. That additional covenants, easements, restrictions, if any, solely for the benefit of the grantor, and his heirs, successors, and assigns enforceable only by such person, are attached hereto or as previously recorded with the Auditor's Office, as though fully set out herein.
8. We, the undersigned, hereby waive all claims for damages against any governmental agency which may be occasioned to the adjacent land by the established construction, drainage, and maintenance of any private road described by this Declaration.
9. We, the undersigned, hereby acknowledge that this Short Subdivision has been made with our free consent and in accordance with our desires.
10. We, the undersigned, hereby indemnify the approving governmental agency for all costs or damages including attorney's fees incurred by or charged against that agency as a result of the signatory not being the owner of the property being subdivided.

That these covenants are for the mutual benefit of the grantor and his heirs, successors and assigns and are for the further purpose of compliance with the resolutions and regulations of the appropriate local governmental jurisdiction, and the local government and such person are specifically given the right to enforce these restrictions and reservations by injunction or other lawful procedure and to recover any damages resulting from such violation.
