Maytown Sand & Gravel 5 Year Review

Appeal of Black Hills Audubon Society and Friends of Rocky Prairie

The Board of County Commissioners (BOCC) has considered Black Hills Audubon Society's (BHAS) request for oral argument. While normally the practice of the BOCC is not to allow oral argument, TCC 2.06.070 does authorize oral argument before the BOCC. Therefore, in response to BHAS request, and in the interest of fairness to all parties, the BOCC will grant oral argument to both the appellants (BHAS and Friends of Rocky Prairie (FORP) and the applicant/property owners (Port of Tacoma (Port) and Maytown Sand and Gravel (MSG)). Each side (FORP/BHAS and Port/MSG) will have twenty minutes for oral argument with the Appellants going first, and with the opportunity for Appellants to reserve a portion of their time for response.
