Description of Proposal: Thurston County proposes to amend Thurston County Code, Title 26–Code Enforcement. The amendments are intended to provide clarified language, codify compliance procedures, add a voluntary compliance agreement possibility and clearly outline Class 1 violations.

Location of Proposal: Thurston County outside incorporated cities and towns

Threshold Determination: As the Lead Agency, the Thurston County Development Services Division has made a Determination of Nonsignificance (DNS) after review of the proposed amendments. The proposal is a non-project action, administrative in nature that will not cause adverse environmental impacts. An Environmental Impact Statement is not required under RCW 43.21C.030(2)(C). This decision was made after review of a completed Environmental Checklist and other information on file with the Lead Agency. This information is available to the public on request.

Jurisdiction: Thurston County
Lead Agency: **Thurston County Development Services Division**
Responsible Official: Mike Kain, Land Use Planning Manager

Date of Issue: May 9, 2018.

This Determination of Nonsignificance (DNS) is issued under WAC 197-11-340. No approvals will be granted or other enabling action associated with this DNS until after the comment period, any appeal periods have expired, and a public hearing. If conditions are added, or this DNS is otherwise modified during the 14 day review period, a modified determination will be issued.

APPEALS: Threshold determinations may be appealed pursuant to TCC 17.09.160 if: (1) a written notice of appeal, meeting the requirements of TCC 17.09.160(4), and the appropriate appeal fee are received by the Thurston County Development Services Division within seven (7) calendar days of the last day of the comment period on the threshold determination and; (2) the person filing the appeal is an aggrieved party and submitted written comments prior to the comment deadline, per the requirements of TCC 17.09.160(2).

NOTE: The issuance of this Determination of Nonsignificance does not constitute project approval.
