RE: Scott Manke's Additional Submittal  
Project 2019100758

Dear Examiner Rice:

This letter is submitted on behalf of the applicant. Since the staff did not provide any substantive comments, we have nothing new to add to the record. The applicant did make substantial revisions to its proposal, provided additional technical information from experts, and committed to a very substantial mitigation plan. Suffice it to say that it is deeply frustrating to receive no feedback and to have staff treat this matter as if nothing whatsoever had changed despite the applicant's efforts. We would welcome an opportunity to present argument or information to the hearing examiner.

Very truly yours,

William T. Lynn
