Thank you for contacting the Squaxin Island Tribe Cultural Resources Department regarding the above listed project for our review and comment. The project area has a high potential for the location of cultural resources but due to the nature of the project we have no specific cultural resource concerns for this project. If any archaeological or cultural resources are uncovered during implementation, please halt work in the area of discovery and contact DAHP and the Squaxin Island Tribe's Cultural Resource Director, Rhonda Foster at [rfoster@squaxin.us](mailto:rfoster@squaxin.us).
