Re: Approval of Voluntary Stewardship Program Work Plan by Technical Panel

Dear Charissa:

The Voluntary Stewardship Program (VSP) Technical Panel (TP) has reviewed the work plan submitted by Thurston County and has approved the work plan at a formal review meeting on April 20, 2017.

As a result of the approval of the work plan by the TP, and in accordance with RCW 36.70A.725(3)(a)(ii), the Director of the Commission must approve the work plan.

Therefore, by this letter, as Executive Director of the Washington State Conservation Commission, I formally approve the work plan for Thurston County as of the date of this letter.

Thank you for your continued engagement in and support of VSP. If you have any questions, please feel free to contact me.

Sincerely,
