Headline: CIIT Investigation into Mason County OIS

Details:

This is a weekly update as to the investigation into an officer involved shooting that occurred Tuesday, March 24, 2020, in Mason County. The Region 3 CIIT is investigating this incident with investigators from Gray's Harbor County Sheriff's Office, Lewis County Sheriff's Office, and Thurston County Sheriff's Office. TCSO is the lead investigating agency for this incident.

TCSO has processed the vehicles involved in this case and has also returned to the location to obtain additional daytime photographs. The Mason County Coroner conducted an autopsy last week and has released the name of the female involved. All interviews in this case have been completed at this time. Two citizens from the Mason County area have been selected to provide citizen oversight of the investigation.

Weekly updates will be sent out regarding the progress of this investigation.
