Headline: Human Remains located Olympia Northwest

Details:

On April 4th, 2019 at 4:46 pm. Patrol Deputies were dispatched to a report of found skeletal remains in the 2200 block of Overhulse Rd. NW. The remains were reported by a citizen who had been walking about 50 yards into the woodline at such location.

Responding Patrol Deputies confirmed what appears to be full skeletal remains of an adult human. The remains are primarily intact within a small area and includes clothing and accessory items.

TCSO Detectives responded to the scene in conjunction with the Thurston County Coroners Office to further investigate. Due to the daylight timing, it was determined to hold the scene overnight and begin processing the scene in the daylight hours on April 5th, 2019.

At the time of this initial press release the scene is being processed by the TCSO Investigative Services Division along with the Thurston County Coroner's Office. Further details such as specific identity or manner of death is unknown. Additional information will be released when it becomes available.
