RE: **Memo regarding** Treatment Review Hearings

Effective June 8, 2018 domestic violence batters treatment review hearings and sexual deviancy treatment review hearings where there is no DOC supervision will be scheduled for Fridays at 8:30. This is the same time the court hears the non-compliance calendar. Treatment review matters currently scheduled at 8:45 on a Tuesday will not be moved, but after a Tuesday treatment review, all future hearings will occur on Fridays at 8:30. The court will no longer schedule treatment review hearings for chemical dependency or mental health treatment.

Effective June 1, 2018, Pretrial Services will no longer provide any monitoring or services for treatment reviews or non-compliance calendars. Katie Alderson, the Court's Domestic Violence Case and Resource Coordinator, will provide the prosecutor, defense counsel, and the Court updates regarding compliance and non-compliance for matters scheduled on both the treatment review and non-compliance calendars.

As with any calendar change, while we hope for a smooth transition we recognize some challenges may occur. We ask for your cooperation and patience as we move forward with this change.
